NOTICE OF PARENT / STUDENT RIGHTS UNDER SECTION 504

The Rehabilitation Act of 1973, commonly referred to as "Section 504," is a nondiscrimination statute. The purpose of the Act is to prohibit discrimination and to assure that disabled students are provided with a free, appropriate public education as adequate as that provided to their non-disabled peers and have educational opportunities and benefits equal to those provided to nondisabled students. The intent of the law is to keep you fully informed concerning decisions about your child and to inform you of your rights if you disagree with any of these decisions.

The enabling regulations for Section 504, as set out in 34 CFR Part 104, provide parents and students with the following rights:
