

Answer: All of Them!

Measure K protects the keys to student success.

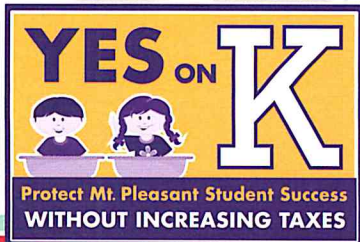

Measure K will renew existing, voter-approved funding for our Mt. Pleasant elementary and middle schools, without increasing taxes by a single penny. It will continue the strong academic programs local children deserve.

Measure K helps all students stay on track.

To ensure every student has the opportunity to succeed, Measure K continues after-school tutoring programs for special needs children and at-risk youth to help keep them on track and in school.

Smaller class sizes and great teachers give all students the best chance to succeed.

Measure K will retain great teachers and keep smaller class sizes to give elementary school students the individual attention and engaging instruction they need to succeed.

Measure K: Education Every Student Deserves

- Protect reading, writing, math and science programs
- Retain qualified teachers
- Provide access to 21st-century technology and computer training
- Preserve tutoring programs for students with special needs and at-risk youth
- Keep school libraries open
- Protect smaller class sizes

Measure K Continues Fiscal Accountability

- Measure K does not increase taxes—it simply renews existing local school funding at current rates
- All funds stay in local schools and can't be taken by the state
- Independent citizen oversight will continue to ensure all funds are spent as promised
- No funds can be used for administrators' salaries
- Homeowners, aged 65 and older, can continue to receive an exemption
- Measure K expires in 7 years and cannot be renewed without voter approval
