14.2 Private Schools
(Parentally Placed Private School Policy)
It shall be the policy of this LEA to assure that children with disabilities voluntarily enrolled by their parents in private schools shall receive appropriate special education and related services pursuant to LEA coordinated procedures. The proportionate amount of federal funds will be allocated for the purpose of providing special education services to children with disabilities voluntarily enrolled in private school by their parents.”

14.23 Interagency
“It shall be the policy of this LEA that interagency agreements or other mechanisms for interagency coordination are in effect to ensure services required for free appropriate public education are provided, including the continuation of services during an interagency dispute resolution process.”

14.24 Governance
“It shall be the policy of this LEA to support and comply with the provisions of the governance bodies and any necessary administrative support to implement the local plan. A final determination that an LEA is not eligible for assistance under this part will not be made without first affording that LEA with reasonable notice and an opportunity for a hearing through the State Education Agency”

14.25 Personnel Qualifications
“It shall be the policy of this LEA to ensure that personnel providing special education related services are appropriately and adequately prepared and trained, and that those personnel have the content knowledge and skills to serve children with disabilities. This policy shall not be construed to create a right of action on behalf of an individual student for the failure of a particular LEA staff person to be highly qualified or to prevent a parent from filing a State complaint with the California Department of Education (CDE) about staff qualifications.”
