

# COVID-19 Vaccine Screening Form

Last Name: \_\_\_\_\_ First Name: \_\_\_\_\_

Date of Birth: \_\_\_\_\_

Emergency contact name and Phone number: \_\_\_\_\_

Have you ever received a dose of the COVID-19 Vaccine?  Yes  No

If Yes, which vaccine product?  Pfizer  Moderna  Janssen (Johnson & Johnson)  Other

*If you answer "yes" to any question, it does not necessarily mean you should not be vaccinated. It just means additional questions may be asked.*

	Yes	No
1. Have you ever had an allergic reaction to any of the following? <ul style="list-style-type: none"> <li>• Previous dose of the COVID-19 Vaccine</li> <li>• Component of the COVID-19 vaccine, including polyethylene glycol (PEG), which is found in some medications, such as laxatives and preparations for colonoscopy procedures</li> <li>• Polysorbate</li> </ul> <p>This would include a severe allergic reaction [e.g., anaphylaxis] that required treatment with epinephrine or EpiPen® or that caused you to go to the hospital. It would also include an allergic reaction that occurred within 4 hours that caused hives, swelling, or respiratory distress, including wheezing.</p>		
2. Have you ever had an allergic reaction to another vaccine (other than COVID-19 vaccine) or an injectable medication?		
3. Have you ever had a severe allergic reaction (e.g., anaphylaxis) to anything? This would include food, pet, environmental, or oral medication allergies.		
4. Have you received another vaccine in the past 14 days?		
5. Have you received antibody therapy (monoclonal antibodies or convalescent serum) as treatment for COVID-19 in the last 90 days?		
6. Do you have a bleeding disorder or are you taking a blood thinner other than Aspirin?		
7. In the last 3 months, have you had a Stem Cell/Bone Marrow Transplant or undergone Cellular Therapy (CAR T Cell therapy)?		
8. Are you currently undergoing chemotherapy for acute leukemia?		

**If you have dermal fillers:** You may develop temporary swelling at or near the filler injection site after a dose of a COVID-19 vaccine. Please contact your healthcare provider if swelling develops at or near the site of dermal filler following vaccination.

**If you have a weakened immune system:** The vaccine effectiveness in immunocompromised populations is unknown. You may have a reduced immune response to the vaccine. Some Rheumatologists recommend altering immunosuppressant medications, please speak to your healthcare provider before proceeding to vaccination if you would like to discuss this further.

**If you are pregnant or breastfeeding:** Based on current knowledge, experts believe that Covid-19 vaccines are unlikely to pose a risk to the pregnant person or the fetus because these vaccines are not live vaccines. However, the potential risks of Covid-19 vaccines to the pregnant person and the fetus are unknown. There are no data on the safety of Covid-19 vaccines in lactating people or the effects of Covid-19 vaccines on the breastfed infant or milk production/excretion. Please speak to your healthcare provider before proceeding to vaccination if you would like to discuss this further.

Office Use Only:	Revised 03/19/2021	
Notes:	<input type="checkbox"/> Thin Needle +2 min Compression	<input type="checkbox"/> 30 Minute Observation

**CONSENT TO COVID-19 VACCINATION**

The County of Santa Clara is offering COVID-19 vaccination to individuals who meet State of California criteria for vaccination. There is no cost to you for vaccination and insurance is not required. However, if you have health insurance that covers this service, your insurance may be billed.

**CONSENT**

I have been provided with and have read or had explained to me the Emergency Use Authorization Fact Sheet for the COVID-19 vaccine that I am receiving (or if legal representative, the person I am representing is receiving). I have had an opportunity to ask questions, which have been answered to my satisfaction. I understand the risks and benefits of receiving the COVID-19 vaccine and request that the vaccine be given to me / the person for whom I am the legal representative. I understand that my vaccination will be entered into the local California Immunization Registry (CAIR), which will allow for coordinated care between my health care providers.

**ASSIGNMENT OF INSURANCE/MEDICAL BENEFITS**

I irrevocably assign and transfer to the County all rights, benefits, and any other interests in connection with any insurance plan, health benefit plan, or other source of payment for my care. This assignment includes assigning and authorizing direct payment to the County of all insurance and health plan benefits payable for this outpatient service, at a rate not to exceed the charges listed in the charge description masters. I agree that the insurer or plan’s payment to the County pursuant to this authorization shall discharge its obligations to the extent of such payment. I agree to cooperate with, and take all steps reasonably requested by, the County to perfect, confirm, or validate this assignment.

**NOTICE OF PRIVACY PRACTICES**

I hereby acknowledge receipt of the *Notice of Privacy Practices (NPP)* of the County of Santa Clara Health System. Our NPP gives you information about how we may use and disclose your medical or protected health information. Our NPP is subject to change. If we change our notice, we will post the revised version in our facilities and on our website here: <https://www.scvmc.org/patients-and-visitors/services/Documents/Notice%20of%20Privacy%20Practices%20-%20English%20Mar%20202019%20final.pdf>

**SECOND DOSE ACKNOWLEDGEMENT FOR PFIZER AND MODERNA VACCINE**

I agree that if I receive the Pfizer or Moderna vaccine I will need to schedule a second vaccine dose. I consent to receive email or text messages with reminders about my COVID-19 vaccine appointment if I have not yet received my second vaccine dose. I understand that such messages will not be sent securely.

I certify that I am the patient, the patient’s legal representative, or otherwise authorized by the patient to sign the above and accept its terms on the patient’s behalf.

Signature (*patient or legal representative*): \_\_\_\_\_

Patient Name: \_\_\_\_\_ Date: \_\_\_\_\_

Parent/Guardian printed name (if applicable): \_\_\_\_\_

If not patient, indicate relationship to patient: \_\_\_\_\_

# COVID-19 Vaccination Instructions for Patients

Side effects that have been reported with COVID-19 vaccines include:

- Injection site reactions: pain, tenderness and swelling of the lymph nodes (glands) in the same arm of the injection, swelling (hardness) and redness
- General side effects: fatigue, headache, muscle pain, joint pain, chills, nausea and vomiting, and fever

If you have any side effects from the vaccine you received today that bother you or do not go away, please call your healthcare provider or Valley Connection at 888-334-1000.

There is a small chance that the COVID-19 vaccine could cause a severe allergic reaction. A severe allergic reaction would usually occur within a few minutes to one hour after getting the vaccine. Signs of a severe allergic reaction can include:

- Difficulty breathing
- Swelling of your face and throat
- A fast heartbeat
- A bad rash all over your body
- Dizziness and weakness

If you experience a severe allergic reaction, call 9-1-1, or go to the nearest hospital.

The COVID-19 Vaccine does not contain SARS-CoV-2 and cannot give you COVID-19. But it is still possible for you to have COVID infection in the first several days after vaccination, please stay home if you are feeling ill and contact your provider to consider COVID testing if you feel ill for more than 2 days after the vaccine.
