

Setting Up a Community WiFi Account

Please follow these steps to create your Community WiFi Account

Initial Account Setup

1. Connect to the MPESD network or any private (home) network where you have Internet access
2. Go to <https://arms.esuhsd.org>
3. Login with your East Side email address and password
4. Follow the instructions to complete your initial account setup

Connect to Community Wireless Network

1. Open your wireless connection window
2. Look for a network name called: ESUHSD-Public
3. Enter your East Side email address and password
4. Click Ok or Join

The standard format of the email addresses are [first name][last name][last 4 digits of student ID]@students.esuhsd.org.

Optional, but recommended:

Change password

1. Go to <https://arms.esuhsd.org>
2. Login with your East Side email address and password
3. Click your name in the upper right
4. Choose **Change Password**
5. Enter your Current Password, New Password, and New Password (again)
6. Click **Save**

If you have any questions or issues, please reach out to aheredia@mpesd.org
